J. N. McDONALD.

The Moose Jaw Times.

FRIDAY, JANUARY 30, 1891.

We are inclined to believe that the Free Press man does not get his telegraphic news from such a reliable source as he imagines. In glancing over his paper of a late issue we notice the following heading: "It must have been a sun stroke," and then he goes on to tell about the young boy Case, who had been lost for six or eight days. Now, we know that we have some pretty warm days here, but we have not heard of any sun strokes for the past three months.

THE ALLEGED INDIAN SCARE.

OTTAWA, Jan. 23rd.—The Indian agent at Moose Jaw reports to the department respecting an attempt of certain residents of Moose Jaw to create an Indian scare, their object being to induce the expenditure of government money in the town by getting about 25 or 30 mounted police stationed there. The agent says the whole thing was a deliberate plot to stir up excitement by a few men whose names are known to the authorities. They boasted of their ability to create a scare and so get more police into the town, and to give color to the plan parties of whites went around the outskirts of the town howling and screeching to imitate Indians. The project was even carried so far by those individuals as for them to inform the Indians that the police were going to disarm and murder them as was done on the other side of the line, and some were alarmed it was with difficulty they were restrained from leaving their tents and fleeing to the distant hills.

The above appeared in the Manitoba Free Press of the 24th inst. From first to last, it is simply bosh. There has been no Indian scare here at any time this autumn or winter, or no semblance of such. All that is founded thereon in the above article therefore falls to the ground. The whole article is rubbish.

CARON

Mr. Frank Lewis paid Moose Jaw a visit, and returned bringing another ox with him, and intends having a three ox team on the plow next season. Mr. Gordon Hawkes who has been visiting east and north for the last two weeks, arrived home on Saturday. Mr. Harry Colenutt, nephew of Mr. Chas. Colenutt, who is on his way to Victoria, is staying for a day or two at the residence of his uncle. A. H. Powell visited Moose Jaw last week in the interest of the Caron public school district, after receiving a cheque for \$275, being the price of the debentures issued by the said district. The postponed annual school meeting will be held at Caron on Wednesday, the 4th of February. Mr. Thos. Getty is visiting in Caron and vicinity, renewing acquaintances. Quite a large number of the young people attended a hop at the residence of Mr. E. J. Cudmore last week. Mr. James Hawkes is visiting Mr. Richard Wilson of 22-17-18.—Com.

EYE BROW LAKE.

A long ride in a jumper was taken by one of our northern ranchmen Mr. Ferguson, of the firm of McLean & Ferguson, of Eye Brow Lake. No doubt the inhabitants of the Town of Moose Jaw were pleased to see that Mr. Ferguson is able to around again to attend to business, after his narrow escape which happened to him some time ago, which might have proved fatal, had not Mr. Wm. McDougald come to his rescue. Luckily for him he escaped with a slight bruise about the head and face. Having some important business to attend to, he thought he would take advantage of

the fine weather. If the weather remains fine Mr. Ferguson intends making the round trip in two days with his fleet mare, Fire-fly. He also paid Mr. Sanders a flying visit where he was received with the greatest hospitality. Mr. Ferguson reports the stock wintering well, especially the cattle. He has quite a number of young calves from his thoroughbred bull "Prairie King." Mr. McLean is expected at the ranche in a few days if the weather continues fine.—Com.

BOHARM SPARKS.

We were present and listened to a very able discourse delivered by the Rev. W. L. Clay, B. A., of Moose Jaw, on Wednesday the 25th inst., in the Marlborough School Room. The reverend gentlemen has kindly consented to give occasional services to the Presbyterians of that district until such times as continued services can be provided by the Home Mission Committee, from the east. After the service the Presbyterians were notified by Mr. Clay that a business meeting of Presbyterians and those favorable to a continuance of the Presbyterian Mission at Marlborough, would be held at Mr. Wm. Watson's, and he was instructed by Mr. Watson to invite them to his house, and that besides doing business by organizing etc., he would have the privilege of forming a more intimate acquaintance with the Presbyterians and others in the district. When we arrived at Mr. Watson's house, which we found filled to overflowing, we were all invited to partake of a magnificent and delicious spread which the good ladies of the house, Mrs. and Miss Watson, had in store for us. After a social chat, and when all had partaken of the many good things of this life prepared before them, the meeting was organized by the moderator, Rev. Mr. Clay, by prayer, after which he addressed the audience at length upon the Mission field in its different phases. Mr. Watson gave a clear and concise statement of Marlborough Mission since its first inception, and dwelt upon the necessity of organizing. Mr. Fraser and Mr. McPherson both spoke in the same strain, when it was moved and duly seconded, that Wm. Watson J. D. Fraser and Thos. Falkner be a Board of Church Managers for the year 1891, which was carried. Other matters were taken up and discussed in reference to the Mission field. When business was over a pleasant time was spent in music and recitations of a literary character, closing with the Doxology, when all repaired to their respective places of abode, well pleased at the profitable way in which they had spent the evening, and also tendering their best wishes to Mr. and Mrs. Watson and all that was there. A business meeting of the Boharm Mission was held at the residence of Mr. R. K. Thompson on the 12th inst. Matters of importance were discussed we understand, but being unable to be present we are not in a position to give particulars. Prohibitory Liquor license petitions are in circulation here and we are pleased to see them very largely signed by the settlers. Farmers meetings are held every Tuesday evening in the Public School Houses, and are very largely attended, having crowded houses. The subjects being Agriculture, Arboriculture, Public Ponds, Schools and Expropriation Ordinances. Delightful weather, the farmers never had easier times than they have had this winter. All stock grazing out on the prairie still. A meeting of the farmers of Pioneer and Marlborough districts will be held in the Pioneer school room on the 4th, at the hour of 1 o'clock in the afternoon. Subject: "Resolved, That the system of putting in grain regardless of the state of the land, has been the greatest hindrance to the district. For affirmative, Field Marshal, Thos. Falkner. Negative, Capt. E. J. Heath. A few of the names we have gleaned who are to take part and speak are: Messrs. Watson, Hopkins, Dorrell, Dalgarino, Hill, Rathwell, Smith and others, who will no doubt bring forward an array of facts and figures as well as eloquence that would astonish the Legislative Assembly.—Com.

THE KEY STONE.—Regular action of the bowels is the keystone of health. The use of B.B.B. insures it and cures constipation, dyspepsia, etc. Ask Dr. Williams' 445 Moor Street, Toronto, writes: "I have used your B.B.B. Bitters for constipation and pain in the head with great success. I improved from the second dose."

FARMER'S MEETING.

A LARGE NUMBER OF THE FARMERS OF THE MOOSE JAW DISTRICT MET IN BRUNSWICK HALL TO FORM A FARMERS' INSTITUTE.

A mass meeting of the farmers of this district was held in the Brunswick Hall on Friday, 23rd inst., for the purpose of forming a Farmers' Institute. Mr. Dorrell was called to the chair; Mr. J. W. McIntosh acting as Secretary. The chairman produced the Ordinance which was read, when it was moved by Mr. Watson, seconded by E. N. Hopkins, that we form a Farmers' Institute for the Electoral District of Moose Jaw, in accordance with the North West Ordinance as now read—carried. A schedule was then produced by the Secretary, and it was signed by nearly every farmer present, to be forwarded to the Lieutenant Governor in Council, asking him to grant power to them to form an Institute for the Electoral District. The Prairie Fire Ordinance and the School Ordinance were then brought up by Mr. Watson, and discussed at some length, when it was moved by J. W. McIntosh, seconded by Henry Battell, that Mr. Watson be empowered by this Institute to memorialize the Minister of the Interior not to discontinue the usual grants for school purposes to the Territories, said memorial to be brought forward at the next meeting of the Institute, subject to sanction. The meeting then adjourned to meet in the Brunswick Hall on Friday, the 30th, at 1 o'clock in the afternoon.

BOARD OF EDUCATION.

The Board of Education met at the Council Chambers, Regina, on Tuesday the 29th, commencing at half past ten o'clock. The following members were present: Bishop Pinkham, Justice Wetmore, A. E. Forget, Rev. H. Lo Due, Justice McLean, Dr. McLean, John Secord, Esq. M. L. A., and William Craig, Esq.

Arrangements were made for the Entrance Examinations to be held next June, and the Teacher's Examinations this July. The following points are worthy of notice on the part of every intending Candidate for the ensuing Teacher's Examinations. Third Class Candidates will be examined in Agriculture and Drawing, but these will be optional bonus subjects, and they will be required to pass in Algebra and Geometry. Second Class Candidates will have examinations in Drawing and Agriculture as optional bonus subjects. First Class Candidates will be required to pass in one language, choosing either Latin or French with Agriculture and Drawing as optional bonus subjects.

A large amount of general business was transacted, including the granting of professional certificates to those holding non-professional who have fulfilled the requirements of the law, the addition of one or two new books to the authorized list of text books, not however necessitating any change, as the Board deprecates any change of text books except when virtually compulsory.

Standard VII for the High Schools was arranged for provisionally, made upon the basis of the Matriculation Examinations of our Canadian Universities. The Board of Examiners are now busy at work getting ready for the Entrance and Teacher's Examinations. The Board adjourned to meet again in July.

Don't Miss It.

A new and attractive publication containing many useful, interesting and instructive features has just been issued by T. Millburn & Co., of Toronto, under the title of the Burdock Blood Bitters Almanac for 1891. It is now in the hands of the druggists and merchants for free distribution and we should advise our readers to secure a copy before the supply is exhausted.

A CASH PRIZE.—The proprietors of Burdock Blood Bitters will give a prize of Five Dollars for the clearest and best essay, not to exceed 100 words, upon the merits of B.B.B. as a cure for disease. The competition will close Jan. 1st, '91, after which the successful essay will be published, (with the author's name if desired). They will also pay \$1 each for any of the essays they may select and publish. No restrictions. Try your skill, and address: T. MILLBURN & CO., Toronto Ont.

STRAYED.—Came on the premises of the undersigned on Dec. 8th, Two Briskhite Pigs. The owner will please prove property and pay expenses. J. J. McLEAN, 2-17-26

TEMPERANCE ALLIANCE FORMED.

A meeting called by the North West Branch of the Dominion Alliance was held on Tuesday evening last in the Methodist Church, Regina. There was a fair attendance. On motion Dr. W. D. Cowan was called to the chair. After the singing of a hymn, Mr. A. D. Ferguson was called on, who came forward and addressed the meeting at some length, making a strong and reasonable speech in which he supported total abstinence, dwelling especially on individual responsibility.

The choir of the church then sang an anthem in their usual excellent style. The next speaker was Mr. J. Weidman, who gave figures in favor of prohibition, denounced the politicians, and spoke for some time on the subject.

The Rev. Dr. McLean made an excellent speech full of good sense and reason, and for which he was loudly cheered.

After another anthem from the choir, the Rev. Mr. Harrison made a brief but earnest speech and at its close moved a resolution, the effect of which was that a vote should be taken separately in Alberta, Saskatchewan and Assiniboia.

The resolution was seconded by Mr. A. D. Ferguson. After it was carried some discussion arose.

Mr. Wm. Hunt thought prohibition would carry in the Territories as a whole, and brought forward as proof that a Temperance resolution had been carried in the mock parliament.

Messrs. E. Nelson, Dr. Cowan and Rev. Thos. Sutton also spoke. In the course of his remarks Dr. McLean said the nine years he had spent in the West had given him some idea of the sentiment there on this question. In Edmonton, Calgary and Lethbridge there would not be ten per cent. of the votes cast for prohibition. In MacLeod there would not be more than two and one of those would be the Methodist Minister. (Laughter.) At Pincher Creek there would be about five votes. Taking Alberta as a whole prohibition would lose by about ninety-five per cent. In Saskatchewan it would lose by seventy-five per cent.

The meeting was closed by the singing of the National Anthem.

A short meeting was held afterwards and a Regina branch of the Dominion Alliance was organized with Mr. A. D. Ferguson as President and Mr. G. W. Brown as Secretary-Treasurer. The branch consists of about twenty members.

CORRESPONDENCE.

We do not hold ourselves responsible for the opinions expressed by our correspondents.

To the Editor of the Times.

Just a question, Mr. Editor—Will parties having business with the new Town Clerk have to go to the C. P. R. offices, or will the Clerk have an office up town? It is sometimes convenient to know where the town officials are.

RATEPAYER.

Cough-Cures

Are abundant; but the one best known for its extraordinary and expectorant qualities is Ayer's Cherry Pectoral. For nearly half a century this preparation has been in greater demand than any other remedy for colds, coughs, bronchitis, and pulmonary complaints in general.

"I suffered for more than eight months from a severe cough accompanied with hemorrhage of the lungs and the expectation of matter. The physicians gave me up, but my druggist prevailed on me to try

Ayer's Cherry Pectoral.

I did so, and soon began to improve; my lungs healed, the cough ceased, and I became stouter and healthier than I have ever been before. I would suggest that the name of Ayer's Cherry Pectoral be changed to "Elkix of Life, for it certainly saved my life."

"F. J. Olden, Salto, Buenos Ayres." "A few years ago I took a very bad cold, which settled on my lungs. I had night sweats, a rattling cough, and great soreness. My doctor's medicine did me no good. I tried many remedies, but received no benefit; everybody despaired of my recovery. I was advised to use Ayer's Cherry Pectoral, and, as a last resort, did so. From the first dose I obtained relief, and, after using two bottles of it, was completely restored to health."—F. Adams, New Orleans, N. J.

Ayer's Cherry Pectoral,

PREPARED BY DR. J. C. AYER & CO., Lowell, Mass. Sold by all Druggists. Price 50¢; six bottles, \$2.50.
